\$5,496,000 | 2561.30 Acres | Grain
Ethelbert, MB

Farming while enjoying peaceful scenery near Duck Mountain Park.

A short drive north of Gilbert Plains brings you to this family operated farm with excellent infrastructure in place and ready to go for a smooth start up. Currently used mainly for growing wheat, canola and beans, this soil zone could be used for various additional crops. Large grain terminals and a massive Coop crop input centre are evidence of the volume of grain produced in this area. Potential to increase your cropping acres by clearing trees is another attraction to this package along with plenty of opportunity to expand. All the major farm equipment and automotive dealerships, shopping, recreation etc only 40 minutes away in the city of Dauphin, another bonus.
